Chefs Mónica Márquez & Yves Larocque

Mónica Márquez and Yves Larocque are dedicated to art, art history

and creative cooking. Since 1999, they have been leading art workshops and gastronomic experiences in Italy and France through their art business, *walkthearts.com*. They have cooked for hundreds of artists and art lovers from North America, Australia and New Zealand and, since 2010, their cultural programs have also included cooking classes. Yves and Mónica believe that creativity and beauty are crucial elements in the kitchen and most importantly, in life!
